Australian BBQ Style

Discover the boundless possibilities of Grandpro

We proudly embrace our Australian roots, with over almost 50 years of expertise in gas grills dating back to the 1970s. Our beloved Classic, Premium (Plus), Maxim, and Pro-Elite models have undergone exciting updates, evolving into the new Grandpro BBQ series. We've focused on innovation, improving key features like the thermometer badge, control knobs, cooking grids and plates, as well as upgrading packaging. You can expect the same quality you're used to, but with advancements that push us further into the future. Built for generations!

The Grandpro BBQs are crafted from premium materials such as 304 stainless steel burners, cast iron grates and plates, and cast aluminum side panels. Our grills are also integrated into outdoor kitchens program with optional extras like a fridge, sink or extra work space. We also offer a fantastic range of accessories, already partially upgraded to Grandpro, door sets and natural gaskets, ensuring you have everything you need to enjoy the perfect Australian BBQ experience!
